## -- Details of Investigation--

On 6/30/15 at 1115 hours, Cpl. Lee Boettcher and Deputy Dan Kissing were requested by Sheriff Jim Neil to deploy Deputy Kissing's Explosive Detection K-9 inside room #122 of the Motel 6 located at 5300 Kennedy Avenue Cincinnati, Ohio 45213. This room was previously occupied by Felicia Brock. Ms. Brock was involved in an earlier investigation, which led to the evacuation of the Hamilton County Courthouse. The K-9 checked inside room #122 and the common areas of the Motel 6 and found nothing. An upside down green ammo can was located inside a dumpster at the northeast corner of the Motel 6. Photographs were taken of the ammo can and the Hazardous Devices Unit was called in to evaluate the ammo can.
